Remember

The concept of remembering has a rich biblical history. In the Old Testament the call to remember is more than just an invitation to think about the past. Instead, they and we are called to remember the past SO THAT our present life is shaped by this remembering. THE event in the Old Testament is the Passover. By remembering the Passover event, when the angel of death “past over” every house that had lamb’s blood on the doorframes, God’s people would be strengthened in the present. Knowing how God acted in the past gives us hope, courage and faith in the present.

In the New Testament, the event that we are to remember, of course, is the death and resurrection of Jesus. At the last supper Jesus said, “Do this to remember me...”. Again, this is not a nostalgic kind of remembering – “ah, the good ol days!” This is a remembering of the death and resurrection of Jesus so that we might have hope, courage and faith now, today, in the present.

Every year we take a Sunday to stop and remember. We remember what God has done in this past year in us and then through us. We give thanks, praise Him and celebrate.

This years Celebration Sunday in June 14. Please do all you can to be with us in Gathered Worship and then afterwards for food and connecting.

My best,
Pastor Jamie

The church would like to thank Maki and Olivia Fontanilla, Shelia Jafari, Ann Watson, Will Averbuck, Jared, Julian, Luke, Colin, Elijah, Lindsey, Jack and the Gomez family for volunteering to be the snack servers in May.

The church would also like to thank those of you who have brought snacks. It is very much appreciated.

If you would like to use the kitchen in the future, please contact Susan for availability.

We are currently needing June servers. Thank you in advance to the Building & Grounds committee for volunteering to server on June 7th and the Youth Group on June 28th.

We are needing additional snack servers and looking for volunteers.

What is involved:

- Be at church by 9:50 to set up the food items to be served before church.
- Set out the plastic plates and appropriate serve ware.
- Return to the kitchen during the last Praise song to get ready to serve.
- Serve until 11:30 or use your best judgement.
- Afterwards, clean up the kitchen by putting the leftover food away, loading and starting the dishwasher, wiping the counters and taking the garbage out.

We are now using colored plastic plates & coffee cups during the after worship snack time. PLEASE DO NOT put them in the garbage as they are reuseable and washed in the dishwasher.
